

Swiss Storytelling Night 10 November 2017

«**Bold and Brave!**»

Friesenberg and Borweg Schoolhouses 19:00 – 20:30

Once again this year, the parent's council is organizing a Storytelling Night with the support of the teaching team! We depend on the assistance of many readers and helpers to carry out this event! The performances are presented in three identical (or different) 20-minute units, with 15-minute breaks in between. Following the presentations, an event-appropriate alphabet soup will be served on the playground. Braziers will be ready for you to grill your own food items.

If you are interested in organizing a performance, please register on our homepage www.elternrat-am-uetliberg.ch before 24 September 2017. We are also looking for helpers with the food, information, etc. You will find some storytelling ideas at www.sikjm.ch.

NEW: A workshop will be held at Kafi Sorglos, Schweighofstrasse 209, on 19 September 2017 at 19:30. You will have the possibility to discuss and prepare your contribution, ask questions and pluck up your courage. Come by!
